

MAY 24 GOLF OUTING

Fundraiser brings in \$100G for shelter

Friends of Dottie's House's eighth annual Golf Classic raised nearly \$100,000 for the shelter, according to its representatives.

The May 24 event, held in Lakewood, hosted 133 golfers. Dottie's House, a shelter for domestic violence victims, operates at an undisclosed location in Ocean County.

"This event has continued to raise more each year in support of Dottie's House since our first golf classic in 2000," said Carol Wolfe, Dottie's House founder, executive director and vice president.
