Dear Carol,

From time to time I read the Newspapers and visit your website to see what is happening at Dottie’s House. I just want to sincerely thank you and your dedicated staff for the opportunity of being a resident at Dottie’s House. I am so grateful for all of the assistance and guidance your organization has provided for myself and my family.

We are all doing very well and are very happy...

My son (age 6) is in first grade and has a lot of friends to play with.

My daughter (age 20) is attending massage therapy school and is doing very well.

I recently started working in the kitchen at a brand new school and am very happy with my job.

We now live in a beautiful rental home.

Life has become a true joy and I wake up everyday very grateful and very happy to deal with life’s obstacles.

None of this would have ever happened without your help! I will be forever grateful to you and to Dottie’s House and I will never forget you and your staff.

Thank you again for your kindness and compassion.

Sincerely,

Thankful

Dottie’s House Graduate
